BOROUGH COUNCIL PROVIDES FOR BOND ISSUE OF \$40,000

Proceeds Will Be Used in
Meeting Expense of
New Building

NEW STRUCTURE ABOUT READY

At a regular adjourned meeting of the borough council, held at the borough building, Thursday evening, at which all members were present, a bond ordinance, increasing the indebtedness of the borough to the extent of \$40,000, was presented and passed on final reading.

The ordinance set forth, as required by law, the amount of bonded indebtedness placed by council, the amount approved by the electors of the borough, together with the floating indebtedness of the municipality which showed a total of \$263,500. The assessed valuation of the borough is \$4,124,245, and the bond issue of \$40,000 is 1 per cent of the assessed valuation of the borough.

The proceeds of this bond issue will be used in paying for the erection and equipping of the new borough building, now nearing completion. The ordinance was ordered published and posted in accordance with the requirements of the law.

The ordinance also prescribed the form of the bond the character of the issue, the rate of interest, which will be 4-1/2 per cent, as well as the denomination. As soon as the necessary preliminaries are disposed of the bonds will be sold.

Other items of business came before council, one of which was the resignation of Robert Turnbull as driver of the fire truck, which was accepted by Council. A committee composed of Messrs. Duvall, Moody and VanVoorhis was appointed to secure furniture for the new building, which it is expected will be ready for occupancy by the first of May.

BURNED WHILE CLEANING GLOVES

Mrs. Joseph Decker, who lives on Crest avenue, near Third street, had her arms and hands badly burned about 1 o'clock last night, while cleaning a pair of kid gloves. She had put the gloves on her hands and was cleaning them with gasoline. After the process she went near the fire for the purpose of drying them, when they caught fire from the heat. Instantly the gloves were in flames, and before help could reach her she was severely burned.

She first ran and put her hands under a stream of water from a spigot, and then faintly, although her screams brought neighbors to her aid. Dr. McKay was called and prescribed, where Mrs. Earl Piper, Mrs. A. R. but the woman was unable to secure much relief because of the severity of her injuries. She was reported resting somewhat easier today noon.

M. T. CROWLEY GETS A GERMAN IRON CROSS

M. T. Crowley is the possessor of a German iron cross, one of the kind the Kaiser distributed so generously among his soldiers during the great war. This particular cross, however, was not won in war, but was a gift to the recipient and sent from Germany by Dennis Gates, now a Secretary in service with the Knights of Columbus, and assigned to the Army of Occupation in the region around Coblenz. Mr. Crowley received the souvenir on Wednesday afternoon.

SUCCESSFUL SHOOT BY HUNTING CLUB

The U-Bet hunting and fishing club held a clay bird shoot at the local base ball club Wednesday afternoon, the club members being divided into two teams. W. B. Davis was the Captain of the winning team and Ralph Lynn of those who had the short end of the string. The score was as follows:

First team—Davis 4, Woodward 5, McVey 5, Wickerham 5, Brady 4, Mathers 0, Sonnenlitter 5, Laughlin 4. Total—30.

Second team—Lynn 2, Barr 6, Carter 4, Zwick 6, Mossion 1, Albright 5, Davis 1, Ellison 1, Whitehead 2. Total—22.

After the contest had been decided a banquet was held at the Hotel Wilbur, the losers acting as hosts to the winners. Fred W. Brady, of the winning team was chosen toastmaster and kept the assembly in splendid spirits by his witty sayings and separate introductions. R. J. Whitehead, justice of the peace, was the principal speaker and demonstrated better than a marksman. The next shoot by the team will be held Wednesday, April 30, with L. A. McVey and Thomas Barr as Captains.

CLOSING MEETING OF THE ATHENE CLUB

The final meeting of the Athene Club for the year was held Friday afternoon at the home of Mrs. Earl Piper, the hostesses being the Abner sentees, those members of the club who for one reason and another had not been able to attend the meetings of the organization with any degree of regularity. A short business session was held, the remainder of the meeting being given over to a social occasion, during which time a musical program was rendered, in which Mrs. George W. Cooper of Monongahela and Miss Emma Clutter were featured. The program was concluded by Miss Bethel Bowman. At the conclusion of the program refreshments were served. The hostesses McKay was called and prescribed, where Mrs. Earl Piper, Mrs. A. R. but the woman was unable to secure much relief because of the severity of her injuries. She was reported resting somewhat easier today noon.

Pay The Doctor

4 3-4 Per Cent Bond Is Best For Average Man

Liberty Loan committee men and workers are asked the question, "Which of the two Victory notes is it best for me to buy?"

Under the terms announced by Carter Glass, secretary of the treasury, there are to be two notes offered. If these indications are to be followed every one is interested to know which class of the securities he should take.

It is pointed out by the loan workers that the 4 3-4 per cent note, exempt from state and local taxes, and exempt also from normal federal income taxes, is the popular note for the average American citizen. As a general rule, the man with a moderate income will find it to his advantage to select this note.

The other note, bearing 3 3-4 per cent interest, is designed for the man or institution with a large income and will attract the larger subscriptions. It is free of all taxes, federal state, and local, except the estate and inheritance taxes. This additional tax-exemption feature is added to offset the lower interest rate.

The average man, who does not have to worry about the income surtax will not have to pay any income tax on the 4 3-4 per cent, and there would be no advantage to his sacrificing the 1 per cent interest to buy the note bearing the lower rate of interest.

GARDEN PLOTS HAVE ALL BEEN ASSIGNED

Health Officer Darby, in charge of the garden plots on the McCloskey bars of Elizabeth and vicinity the farm, has assigned all of the local following resolutions was passed: "That the public so far as possible were fortunate to secure a section and convenient arrangement for the garden plots. All they do not fall on Sunday, as the past of the ground to be used for this purpose are overworked on that day, and pose has been ploughed, and if the too many services affect the attendance the returns promise to be once at the regular services of the most generous churches."

MONONGAHELA SOUTHERN RAILROAD COMPLETED

The Monongahela Southern Railroad, an extension of the Union Railroad, connecting the Clairton mills with the main line of the system at Bull Run, back of Dravosburg, has been completed and is now in operation. The road is six miles long and is said to have cost \$6,000,000 to construct. It was built by the Carnegie Steel Company, and its completion now gives a direct connection between all the mills of the corporation in the lower Monongahela valley.

TROPHY TRAIN STAY TO BE QUITE BRIEF

As previously announced the trophy train which is touring this section of Pennsylvania for the Victory Liberty loan, will be in Charleroi on Thursday, May 1st, from 4:15 to 7:00 p. m. Its stay is necessarily brief, because it is running on a very close schedule and must make the various towns in which it is billed to appear.

The various cars containing the exhibits will not be opened to the general public until after the speaking program, which will take about 30 minutes, after which the doors will be open. Chairman Dady has been advised by the manager of the train that as its stay here is to be so brief, it has been deemed advisable to confine admission largely to the adult population. If any time remains after that the pupils of the schools will be given an opportunity to view the trophies.

The returned soldiers living in Charleroi will also be on duty in and about the train and will assist in preserving the regulations which the management deems necessary for the proper handling of the crowds which will undoubtedly be on hand to view the exhibit. Other details concerning the movement of the train will be made public from time to time, just as rapidly as advices are received from headquarters.

ANOTHER DEBT PAID

Dock Comanche used to travel up and down the middle states representing a nationally advertised house that manufactured household commodities. He was a rattling good salesman. He posed as a good Indian and was proud of his name.

But in matters financial he was as irresponsible as a child.

One night he was having a little poker party in his room at the hotel. The telephone bell tinkled. Dock went to the instrument. "Say I'll be right down," he replied to the voice over the wire.

Fifteen minutes later he was opening another jack pot. "My tailor," he explained, referring to his brief absence. "Owed him sixty. Gave him my note at 90 days. Thank the Lord that's another bill paid."

Of course there was a kick-back to Dock's payment.

But when we pay our debt to Uncle Sam, to the boys who fought for our liberty over there, to our self respect and the good opinion of the world at large, the shoe will be on the other foot.

There will be a come-back to ours. Dock's note eventually came due. He paid it after an action in court.

But when we pay our debt to Uncle Sam there will be no disagreeable afterclaps. Instead, he will hand us a bond and after many days it will mature and we will be able to collect the come-back by merely presenting it at the paying teller's window at the corner bank.

That is some rare bird o' fa' de' b'it. Some fine system of payment.

Even financial incorrigibles like Dock Comanche could get along at that.

And why competent, intelligent, capable folks of affairs with the least glimmer of loyalty in their make-ups can hesitate to do their part by Uncle Sam under these conditions is past our understanding.

And we simply don't believe they will.

We have a man's sized faith in the American people.

And a greater confidence in the success of the coming Victory-Liberty.

VALUES WILL INCREASE

While Liberty Loan bonds are selling below par, it is not believed that the Victory Loan will have any tendency to decrease prices now offered for these securities. The Victory Loan is to be in the form of gold notes, and are what are known as three-four, that is, payable four years after being issued, with the option of redemption after three years. They are really a short-term note, which the government will begin to retire in 1922, and finally liquidate in 1923. Liberty Bonds differ in that they are not to be redeemed for a number of years, which make them an ideal investment for estates. With government loans out of the way, and small holders disposing of their bonds, the Liberty issues are bound to advance in value, and before a great while not only each, but pass par. It is reported that on the Pacific coast Liberty Bonds are selling for a higher price than in the east, and if this is true, the figures for bonds in this section will soon be materially stiffened. There is no safer or better investment than Liberty Bonds, which is another feature that is bound to make them increase in value.

HARD TO GET OUT

Restricted immigration into the United States has nothing on restricted emigration out of it. Inexpensive travelers say that it is harder to get out of the country than it is to get in, and suggest that even sentences for deportation take on something of a semblance of a franchise.

Some one of these mornings the world will wake up to read of a transatlantic flight, for which so many contestants and press agents have been preparing. The flight has passed out of the realm of a possibility into that of probability with the advance of aviation made possible by war.

DR. G. K. HAYS IS HOME FROM FRANCE

Dr. George K. Hays of Monongahela, who served for almost 19 months as a surgeon with the British Army in Flanders, being attached to the Duke of Wellington Regiment, returned to the United States on Monday, coming over on the French line steamer Rochambeau. Dr. Hays, who was promoted to Captain during his service abroad, was badly injured and gassed on the 3rd of March, 1918, near Amiens, when the Germans began their last great drive, which they hoped would end the war in a victory for them. Later he was sent to England, where he was engaged in hospital work after he had sufficiently recovered from his injuries, and in a message from New York to relatives reports himself as feeling fine. He is spending a brief time in the metropolis, after which he will return home and take up his profession. Dr. Hays is well known in Charleroi.

A cake and apron sale will be held at Eschard's Furniture store Saturday April 19 by the ladies of St. Mary's Episcopal church. 267-29

VICTORY POSTERS VERY ATTRACTIVE

The posters for the Victory Liberty Loan are being displayed in every town and community throughout the country and they maintain the high standing set by the publicity managers in the preceding campaigns. Among the most striking of these posters are, "We will finish the job," and that picture of the American soldier loaded with German trophies. "And they thought we couldn't fight." Other of the posters are equally attractive and impressive of the campaign believed they will be a big factor in making the Victory Loan a great success.

LARGE AUDIENCE AT LAST NIGHT'S MEETING

A crowded house greeted the minister last night at the First Christian church, where evangelistic meetings are now in progress. There were three delegations present, the Star class, the Golden Rule class and a party of thirty-two from Perryopolis. The music led by C. G. Woods of Chester, W. Va., was especially inspiring. The minister had for his text the words in John 14-6—I am the way the truth and the life. These meetings will close Sunday evening with a sermon by the minister on the subject, "Mother, Hope and Heaven." Rev. Huffer will have for his subject tonight, "The Seven Voices from the Cross," and on Sunday morning at 10:45 his subject will be, "The Resurrection of Christ." No services will be held Saturday night.

"THE SPIRIT OF MEMORIALS"

As the spring blossoms into summer
we feel some of us, the absence of
those dear ones who have passed to
"the beyond." We miss their laugh-
ter, their kindnesses, their caresses.

Ought we not give actual expression
to the loving remembrance in which
they are held?

The custom of marking their rest-
ing places is as old and as beautiful
as the old, old world itself.

We cannot honor our loved ones
more effectively, than by the erec-
tion of a monument. Properly car-
ved, by a master artisan, such a mem-
orial is a lasting tribute to our af-
fection for them.

Is there not some one whose mem-
ory deserves this recognition from
you?
